

‘Central-Eastern Europe Journal’ launched in January 2014, issued twice a year, is the official scholarly journal of the European Studies Faculty in Wyższa Szkoła Gospodarki Krajowej in Kutno.

The journal provides a place for scientific research, ideas and discussions dedicated to political and social sciences, contemporary international relations and European studies.

All the submitted papers are double – blind peer-reviewed by high-level, independent reviewers (from outside the academic institution or another place of work the Author of the text is affiliated in) evaluate each article. Each review contains an unambiguous resolution approving or rejecting publication.

It is an open access or, more precisely – open choice journal, and an electronic version of each issue is entirely free of charge available on a web site under the Creative Commons licence (CC BY-NC-ND 3.0), and the printed version available in traditional distribution. Publications in the journal are free of charge.

The journal is entered into the Register of Newspapers and Magazines under no. 1413 and confirmed ISSN 2353-8392.

THE REVIEWING PROCEDURE

1. The editor board makes the initial selection of the received texts comparing their subject matters journal profile and compliance with the editorial requirements.
2. The initially accepted texts/manuscripts are submitted to two independent reviewers of the cooperating with the editors. At least one of the reviewers should be affiliated in a foreign institution in case of texts in foreign languages.
3. Double-blind review process is the standard procedure.
4. The reviewers evaluate the texts completing the form available on the website of the journal: <http://wsgk.com.pl/wydawnictwo/wse/wse-czasopismo>
5. A review is intended to provide an opinion, i.e. the editorial board shall take a final decision accepting or rejecting the text.
6. The detailed principles of reviewing articles comply with the guidelines of the Ministry of Science and Higher Education included in a brochure containing descriptions of good practice in review procedures in science.

For more information please contact chief editor: Aneta Moszczyńska at wsgk@wsgk.com.pl
